## Announcements

- 1) The Poland Team is back from the mission field! Praise God for the work He did through their service, and please pray for that work to be continued in the hearts of the Polish people who attended the camp as they return to their normal lives.
- 2) The Harrah Team is leaving for the mission field TODAY. Please keep them in your prayers as they travel, and as they serve this week.
- 3) The Mansfields have a family friend who has an infant with special needs. She is having to go back to work in order to pay the bills, but needs to find a small in-home type daycare for her son. (He gets sick too easily to be in a large daycare.) Does anyone know of such a place, or where to find one? Please contact Ethan Mansfield (360) 265-5549; demulsion@gmail.com

## Missionary Highlight: Chase & Karissa Lundstrom

Hey KBC Family!

We are always encouraged by you guys! Here are some praises and prayer requests.

### PRAISE

-280 campers heard the gospel and/or were encouraged in their faith this summer.

-We were able to work at camp full-time for June & July.

-Chase was able to finish the new bathhouse the night before camp started! This allows more campers to use the facilities at once, thereby increasing the time the cabins have for group devotion time, and other activities!

-The funds have all come in for the camp tractor to be fixed. Chase will begin working on that project again next week. It has been on hold while camp was going.

### PRAY

-That we would have wisdom as Chase's part-time job is possibly ending in September.

-For the fall projects. Chase discovered some issues under the lodge that he will have to undertake before we can use it again next summer. We are also still working on the kitchen addition.

-That through everything, Jesus would be glorified through us!

Thank you!
