Missionary Highlight: Dave & Tanya Spoon

Greetings Keyport Brothers and Sisters,

Children of the Nations

Dave Spoon, Resource/Events Project Coordinator, Spiritual Care specialist for Sierra Leone, Malawi, and Uganda.

Tanya Spoon, Medical consultant to Sierra Leone, Malawi, Uganda.

Since returning from Sierra Leone at the end of May 2017 There has been a change in my position with Children of the Nations. I am now also helping with managing resources, meal packaging events, and setting up the movement of freight/resources to container loading events around the USA. In the past I have been involved with some of these things at COTN.

I will still be involved with Spiritual Care in Sierra Leone, Malawi, and Uganda. I will still go to these countries every year and help with mentoring, discipleship, and supporting the churches. Tanya's Manette Clinic is really growing fast and she will be busy here. Pray she continues to get the help she needs so she can be freed up to travel to Africa with me next year. Pray for the spiritual care leaders who are making an impact in our ministry areas in Jesus' name!

Please pray for the church in sub-Saharan Africa. There is growth but there is also some confusion. People are desperate for resources to survive and sometimes seek their needs through bad theology or the witch doctor/false prophet. I continue to connect daily with our African countries to support them in their work.

The Spoons miss all of you at Keyport Bible and appreciate all your love and support. God is doing amazing things in the lives of our orphans. Many are graduating University. Some are pastors who have been trained well. We would love to meet with anyone to discuss the mission in more detail. Thank you for all your prayers and financial support, call me 360-509-3386 or email davespoon@cotni.org.

God Bless

Dave & Tanya Spoon
