Dear Keyport Bible Church Family,

You have been on my mind as I have been traveling memory lane this year, remembering Christmas and Easter programs in our childhood there where you meet each Sunday, and Summers with Keyport kids like Kathleen Haag working at Island Lake Bible Camp.

Awema is loving school, and plays hard in the yard with neighborhood kids hiding among the big banana stocks and running barefoot on the fresh green grass. Outside our garden it is a dry and dusty land, waiting for rains, which we may not see until late December. It's a joy and blessing to see the children play. Pray for Awema and her friends.

Everyone in town is complaining about the power outages which make us all feel very powerless. I'm grateful we have the solar water pump which makes the garden green. However, without lights we are often left in the dark. Pray for more solar panels. I found out Monday that the price had gone up to 287 dollars each. We need 8 more.

I have gone from one sickness to another. Last week I recovered from a stomach infection and now have an allergy or bad head cold. Pray for my health and continued joy in trials.

A friend of mine is dealing with an unfaithful spouse, and now has to move to South Africa and live alone with her children in Cape Town, a very dangerous city. Pray for Christina.

Our finances continue to need a boost. Thank you for sharing God's blessings to you with us. Pray for more support and wisdom to know where to cut back.

Thank you for standing with us. Doris will graduate in December and I'm praying for God's leading in her future. Pray for Doris' future.

Today, October 22, is my 57th Birthday. Pray for some rest and peace. Raising Awema is challenging at times. You know, like every day. But there is also great joy.

Love to all,

Michelle Clark
