Prayer requests:

Continue to pray for Mr and Mrs Au, who are doing partnership development so that they can become members of OMF, to come to Singapore to serve in the mission research department, and in training and development. Pray that they will get the needed financial and prayer support, and an employment pass that will enable them to come here.

Continue to pray that our daughter Deborah finds a suitable job. Pray also as she is working through some health issues. This is quite a concern for us.

Pray for our son Joshua as he completes his one-year teaching contract and looks for a new job.

Praise that our son Daniel and his wife Emma returned from Australia in February, found temporary hospital jobs upon arrival, and have been accepted for trainee positions beginning in August. Praise also that Daniel has come through an emergency appendix operation and is back to work.

Pray for guidance for the production and distribution of the journal, and for missionaries and church workers in various countries, and students and lecturers in theological colleges who find it to be a helpful resource.

Pray for daily wisdom and strength to prioritise our ongoing responsibilities: archive accessioning, archival personnel database, responding to queries, etc.

Pray that we can find some volunteers who can accurately input data into our personnel database.

Give thanks that our support level for this year has so far been 100% of our estimated need.

Pray for our elderly parents as they find life increasingly difficult. Pray for our travels to see them in April and June-July and that our time with them and the other members of our family.

Pray that our daughter Louise would have a safe delivery around 20 May.

Pray for stamina as we have a lot of traveling ahead of us well into July.
