

## Missionary Highlight: Vacation Bible School!

Vacation Bible Schools come in many different sizes and shapes. This year's program happens to be in a sort of wolf-like, a sort of sheep-like, and a sort of Good Shepherd-like shape.

In our attempt to teach the message of John 10, the students will meet and become friends with some goofy singing sheep who, instead of getting their own hair cut, run a barber shop cutting hair for humans. These sheep have always wanted "FAME FORTUNE and FAME!!!" and when an evil wolf shows up they are offered just that.

At first the sheep find the wolf a bit fishy but then they remember the obvious truth that fish are not dangerous to sheep because, of course, sheep live on land and fish live in the water. The humorous and light-hearted story takes a scary turn when the wolf's real intentions for the sheep are revealed (the wolf comes only to steal, kill, and destroy).

Thankfully, (although we can't tell you too much more) the sheep are under the care of a Good Shepherd who is just the kind of guy who would lay down his life for his sheep.

Please be in prayer for our VBS leaders and children. Pray that we will clearly and passionately share the truth of Christ and that the children will be ready to receive him.
