

## Missionary Highlight: Faithful Examples

As we remember our retired missionaries below, let us strive to imitate their faithful example in our own lives.

“Remember your leaders, those who spoke to you the word of God. Consider the outcome of their way of life, and imitate their faith.”

-Hebrews 13:7

### Bob & Carol Moffat:

Bob and Carol served as missionaries mainly to Eskimo and aboriginal tribes and villages in Alaska and Canada beginning in 1958 and continuing for many faithful years. They are now retired in Gresham, OR, but still in good health and active in ministry. Pray for the many different opportunities they have consulting with InterAct ministries, which has a good number of new missionaries. Pray for the training and placement of these.

### Violet & Daisy Godwin

Daisy and Violet retired from Child Evangelism Fellowship in 1986 after 36 years of faithful ministry. After their retirement, they served teaching AWANA for 20 years, and VBS for many of those years. They now serve when their health allows them as greeters at their church, and hold regular prayer meetings at their home.

### Bob & Dawn Archer

Bob and Dawn served in Bucaramanga, Colombia as missionaries for over 30 years before returning to the states in 1997 and taking up their work with Northwest Independent Church Extension, to share the gospel and serve the Hispanic community in Puyallup, WA. They were blessed in 2008 to return for a visit to Colombia to visit their children in the faith and to meet their spiritual grandchildren. They now live in a senior facility, where they continue to live faithfully, seeking opportunities to share the gospel, praying for those around them, and attending Bible studies and worship services.
