

Missionary Highlight: Bob & Carol Moffat

1. We had a hectic but very fulfilling visit to Alaska. We attended the Alaska field conference with other InterAct missionaries and had good visits with family and other Alaska friends.
2. We finished up digitizing photos for filing in the mission office near our home here in Gresham. It is gratifying to see the results of our work in recent missionary publications.
3. We are excited to see an increase in candidates and new missionaries in all of our fields. Russia, Siberia, and Canada all have summer missionaries from many different schools and churches. Besides the potential for more new full-time missionaries, they accomplish a lot in helping our missionaries already in the field.
4. We are committed to assisting retired missionaries and other elderly seniors in our area. Some are in their 90s, and life is challenging for them.
5. Our son, Mark, who recently retired from Boeing, is helping with Bob's senior men's study. He is willing to take over the leadership of this growing ministry in our church.
6. We have recently traveled to Port Angels, WA to visit Carol's sisters, who both have serious health issues. In a few days we will also drive to Seattle to celebrate the 90th birthday of Carol's oldest sister.
7. Our next big trip is to Scotland in the middle of August. Our son, Matt, and his wife have invited us to go with them, and since they are making the arrangements and driving the rental car, we think we can handle that.

Grateful for your part in all this,

Bob & Carol Moffat

Prayer Requests & Praises

- Please pray for Joyce Behrens' sister, Lois, who is living in Iowa and has just been diagnosed with a very aggressive, fast-moving cancer. She may have only weeks to live, but she loves the Lord. Pray for her and her family as she prepares to enter into glory.
- Praise the Lord! Both Bob and Rita Brown have received good reports regarding their respective health problems. Bob's recent scan showed no additional problems, and Rita's tumor has shrunk in her most recent tests. They continue to rejoice and praise God for His ongoing grace in their lives.
- Please pray for our missionary in Malawi, Michelle Clark, as she is trying to get travel documents for her girls so that they can leave the area, which is currently very volatile. Please pray the documents go through speedily, and for their safety in the meantime.
- Pray that last week's ministry in Harrah, WA, and our VBS ministry of the week before that, would both continue to be used by God in the hearts of the people we served.
- Praise! The Poland Team returned safely! We praise God for their faithful ministry in the mission field.
- Pray for Karen Hussey as she recovers from hand surgery. She will be in a cast for 6-8 weeks.
- Pray for the upcoming Joni and Friends short-term mission trip (August 17-23) as we seek to see the good news of Jesus spread beyond our community.
