

## Missionary Highlight: Christian & Sheryl Andresen

Sheryl and I have been traveling this summer, visiting supporting churches and attending a wonderful conference hosted by our sending church. The most special event was the wedding of our son, Philip! Philip and Heather got married on June 20th in San Diego. All of our daughters and their families were able to be there for this most special occasion! We are so thankful for the precious time we were able to share together. Please continue to pray for this young couple. We would be very thankful if you would pray that the Lord would call them to Himself!

Sheryl and I are continually blessed, loved and quite honestly blown away every time we get to visit with, hear from, and talk to any of you. We are completely dependent on the Lord in all areas of life and He has used you to love and encourage us through many seasons of life in our family and ministry. Please continue to pray for our church, our family and the EBTC.

It has become necessary for us to increase our monthly support by \$800. We would like to ask you to prayerfully consider supporting us monthly if you do not already do so. Maybe you are part of a Bible Study where you could present this need and pray for us.

About two years ago I shared that my brother, Andreas, lost his wife to cancer and shortly after remarried. This loss and change in his life has brought him closer to our family and allowed for conversations after decades of little to no contact. Both of my brothers, Clemens and Andreas, do not know the Lord. In May, I was able to get away for a weekend with both of them. Please pray that they would see their need for a Savior, and that He would use us to be a light to them.

These last weeks, the Eckstein Gemeinde Berlin has been in summer routine. We've been meeting all together and enjoying fellowship in different parks and places in Berlin. This is a time when our members often bring friends from work or family in order to meet and get to know us outside of our Sunday Church service. We have enjoyed visiting with and having people from our church over for meals and hosting friends passing through Berlin.

## Prayer Requests & Praises

- Please be in prayer for Roxanne Moye, who needs to find a house to rent or buy, as her house is going on the market this week! She is also having a neck fusion procedure done August 22nd at UW, and desires prayers for that, as well. She will be homebound for 2 months following the surgery.
- Please be in prayer for Mindy Ricks, as she has been in a lot of pain, unable to eat, and undergoing testing for the past couple of weeks. This has been a significant financial burden on her family, with additional expenses and not being able to work. Her endoscopy has been rescheduled for this week, and she has various other appointments in the near future. Please pray also for Kyle and the kids, as Mindy is out of commission.
- Praise! Joyce Behrens was released from the hospital on Thursday! She was in for several days with fluid on her heart, and undergoing testing for certain heart conditions. She now has a diagnosis (congestive heart failure) and is being treated.
- Please pray for Joyce Behrens' sister, Lois, who is living in Iowa and has just been diagnosed with a very aggressive, fast-moving cancer. She may have only weeks to live, but she loves the Lord. Pray for her and her family as she prepares to enter into glory.
