

Missionary Highlight: Doug & Margaret Nichols

Dear Keyport Bible Church,

We have many things for which we covet your prayers:

1. Please pray for Evangelistic Basketball Camps being held for hundreds of needy children in poor areas of the Philippines in partnership with small local churches who handle all follow up and discipleship.
2. Our Pastoral Care Conference is in October, at which Pastor Guy will be one of the three main speakers. Pray for the 200-225 pastors who are planning to attend from throughout the country.
3. Please pray for the completion of four books we are printing for the pastors attending the conference. These four will be included with several other donated titles for a set of 9 books for each pastor attending the conference.
4. Margaret and I appreciate the prayer and support of Keyport Bible Church very much! This is especially helpful in our many responsibilities in the Philippines with the 41,000 untrained pastors, 200,000 street children, prisoners, etc.

Thank you again dear friends!

In Christ,

Doug and Margaret Nichols

Prayer Requests & Praises

- Please pray for Roxanne Moye’s recovery from Thursday’s neck fusion procedure. She will be homebound for 2 months.
- Please pray for Heidi Zylstra's thorough and speedy recovery from the shoulder surgery she underwent this week.
- On August 11th, Bob Archer (our long-time missionary in Colombia, and later with Northwest Independent Church Extension) departed this world bound for glory to be with his Lord. Bob suffered from the torment of dementia for the last several years, and we rejoice that this struggle is no more and eternal bliss has begun. Pray for God's comfort and strength for his family, particularly his wife, Dawn, as they adjust to his death. His memorial service will be held on Sunday, September 1st at Edgewood Bible Church at 2:00 p.m.
- Mindy Ricks will be heading to Seattle to see a gastrointestinal specialist on August 27 to discuss all test results, and hopefully an effective and non-invasive solution. Please pray to that end. All of the appointments and testing of the past few weeks have been a substantial financial burden on the Ricks family, but they are praising God for the love and support they've received.
