

Missionary Highlight: Stan and Diane Mansfield

Keyport update, 2-9-20

This past year has seen some ups and downs, but in the midst of it has been some constants. We continue to have a faithful and committed board to lead and guide the college, and the heart of the college remains the excellent faculty who teach the classes. We are grateful for the quality people God has brought to the board and faculty, but could use more godly men and women.

We have seen limited growth this year. A key to the growth of the college is getting the word out and partnering with more churches. To do this effectively requires more manpower and funds. We desire to grow so we can see more people become equipped for ministry, impacting more churches and lives, ultimately for greater glory to God.

Our 5th Annual Vision Night Dinner and Auction will be May 30. If you would like to donate something for the auction, or have ideas for it, please contact me. We are also looking for Christian business men and women who would be interested in being corporate sponsors.

Please pray:

- for God to bring the right people to join the board, faculty, staff, and volunteers
- for God to provide the financial resources needed, and additional prayer warriors
- for more churches to partner with us in equipping current and future leaders
- for God to lead to Shepherds the people who need the training we provide
