Town Administrator Graduates from Leadership Charleston

On June 14th, Town Administrator Stephanie Monroe Tillerson graduated from the [Charleston Metro Chamber of Commerce Leadership Charleston](#) program.

Leadership Charleston is a 10-month program offering an intensive and up-close look at the most challenging issues and opportunities facing our region.

The class engages participants through community immersion and interactions with diverse leaders, to cultivate leaders for the advancement of the Charleston metro area.

Salute from the Shore

Salute from the Shore will be back this year for the 8th annual tribute to the men and women of America's military on July 4th. As in prior years, the flyby of F-16s and vintage World War II aircraft will commence at the NC/SC border at 1:00 p.m. and make its way down the entire SC coast.

Estimated flyover time for Kiawah 1:20 p.m.

Come out to the beach on July 4th and cheer them on as they pass by!

Turtle Nesting Update

Nests Found: 178

Nesting Activity: Mid-May - August

Please remember female turtles spook easily! If you encounter one, please remember:

- Admire from a distance and do not approach her. It could cause her to return to the ocean and not nest on Kiawah.
- Do not make loud noises
- Do not use flashlights on the beach at night
- Do not interfere with a turtle nest! It's against the law.
- If you walk the beach at night, consider leaving your dog at home until turtle season nesting is over.
