## Discontinuation of the Residents Xchange

The Town of Kiawah Island is committed to providing the best and most effective means of communication to its residents and visitors. That is why the Town's communications committee and staff spent this year evaluating its mediums for communication used or hosted by the Town. After reviewing the Residents Xchange forum and its functionality, the Town has made the decision that effective January 2, 2018, the Residents Xchange will permanently be discontinued.

The Town believes this is the appropriate decision given there are more than two forums serving the Kiawah community in the same capacity. If you have questions, please contact Stephanie Braswell Edgerton at 843-768-5113.

Members serve a three year term. The BZA has three main purposes: 1) To hear and decide zoning appeals when it is alleged by the appellant that an administrative official has made an error. 2) To hear and decide applications for variance from the requirements of zoning regulations. 3) To permit uses by special exception, subject to the terms and conditions for those uses as identified in the zoning regulations.
