Report Feeding of Alligators

Island biologists received numerous reports of people intentionally feeding alligators. Not only is this behavior illegal and unsafe, but it causes alligators to lose their fear of people and readily approach them in search of food. Once this behavior occurs, it creates a potentially dangerous situation and the alligator must be euthanized. Town Code Enforcement Officers are beginning a crackdown on the illegal feeding of alligators. **Report any illegal feeding to KICA Security (24/7)**

at 843-768-5566 or Town Hall (8a.m. - 5p.m.) at 843-768-9166. Questions? [Ask Jim Jordan](#)
