Mayor Weaver to kick off *Stand to Honor*

On Saturday, May 19, the [Southern Tide Kiawah Island](#) store in Freshfields will be hosting *Stand to Honor*, an event to raise money for scholarships to support the spouses and children of America's fallen and disabled service members. To kick off the event, Mayor Weaver will be the first volunteer to stand for 13 minutes in the footprints of a fallen soldier to symbolize the commitment to helping *Stand to Honor* families. Volunteers will stand in 13-minute increments from 10:13 am - 5:13 pm. The number thirteen is significant because it reflects the number of times the American flag is folded when honoring a fallen soldier.

The Kiawah Island Store goal is to raise \$5,000 which provides one scholarship. 100% of all donated money goes directly to [Folds of Honor](#) which is a nonprofit organization that provides educational scholarships to families of military who have fallen or been disabled in combat while serving in the United States armed forces. First Sea Turtle Nest

On May 9, the first turtle nest on Kiawah was found by Zone 2 team - Joe and Linda Pezzullo, Martin and Dee Wardle and Nancy Carleton.

This nest was the 2nd nest of the season in the entire state of South Carolina reported by [SCDNR](#).

Remember: If you encounter a nesting female, admire her from a distance. Do not approach her or make loud noises. It could cause her to return to the ocean and not nest on Kiawah. NEVER interfere with a turtle nest. It's illegal to harm, or in any way interfere with a sea turtle or their eggs.
