TRANSFORMED BY THE WORD

Last year Pastor Jody Bowser has led us on a year-long journey through the Bible with a sermon series called The Gospel from Genesis to Revelation. We read through the Bible as a church family; over 600 people signed up to receive emails with the daily Bible readings and devotionals.

As we move into 2017, the same readings and devotionals are available again! We moved the entire Bible reading program to a new area of our website and we're calling it Transformed by the Word.

Pastor Jody will be preaching on Transformation in 2017, and since the Bible is critically important to transformation, the new title coordinates with the focus.

If you were already signed up in 2016, you will receive the "new" emails automatically. To sign up, or learn more, click [HERE](#) to visit www.transformedbythewordofgod.com.

Transformed By The Word

Last year Pastor Jody Bowser led us on a year-long journey through the Bible with a sermon series called The Gospel from Genesis to Revelation. We read through the Bible as a church family; over 600 people signed up to receive emails to their phone or computer with the daily Bible readings and devotionals. Many have shared that this was a dynamic experience in their Christian walk.

As we move into 2017, the same readings and devotionals are available again. This year the Bible reading program is called Transformed by the Word. Pastor Jody is preaching on Transformation throughout 2017, and since the Bible is critically important to transformation, the new title coordinates with this focus. To catch up on any of last year's sermons or hear the latest Transformation message, check [KSC Media](#).

Who wrote the devotionals?

The daily devotionals that accompany each days reading are written by Pastor Micheal Alcorn. They were written specifically for the reading program several years ago when Pastor Jody Bowser and Pastor Micheal Alcorn served on staff together. King Street Church received permission to use the devotionals as part of the program and believe they really enhance the daily reading.

Why Read the Bible

Being in the word of God daily is an experience that changes you. It provides a central core in the chaos of everyday life. Daily scripture reading opens our eyes to the way God has worked and is currently active in the world around us.
