I understand that insurance coverage for accidental injury or sickness will not be provided by KING STREET CHURCH and I agree that our group will be responsible to provide our own insurance for the event, or otherwise pay for any medical expenses that might be incurred because of accident or illness. I hereby release KING STREET CHURCH, Chambersburg, Pennsylvania, its agents, employees, and volunteer workers from any liability for accidental injury and sickness that may occur to any persons belonging to the group as specified herein.

**Proof of Insurance for Organizational Use:** Certificate of Insurance with King Street Church named as additional insured in the amount of \$1,000,000 must accompany this application. ## Church Use Purpose Statement

The church’s facilities were provided through God’s benevolence and by the sacrificial generosity of church members. The church desires that its facilities be used for the fellowship of the Body of Christ and to bring God glory. Although the facilities are not generally open for public use, we make our facilities available to approved non-members as a witness to our faith, in a spirit of Christian charity, and as a means of demonstrating the Gospel of Jesus Christ in practice. But facility use will not be permitted to persons or groups holding, advancing, or advocating beliefs or practices that conflict with the church’s faith or moral teachings, which are summarized in, among other places, the Governing Documents of the United Brethren in Christ denomination ([www.ub.org](http://www.ub.org).) Nor may church facilities be used for activities that contradict, or are deemed inconsistent with, the church’s faith or moral teachings regardless of whether the facilities are connected to the church’s sanctuary, because the church sees all its property as holy and set apart to worship God.

### I affirm that:

1. I understand that the church does not allow its facilities to be used in a way that contradicts its faith or by persons or groups holding beliefs that contradict the church’s faith.
2. To the best of my knowledge the purpose for which I am requesting use of church facilities will not contradict the church’s faith.

I am not aware of any beliefs that are professed by me or the organization I represent and which is requesting use of the church’s facilities that contradict the beliefs of the church. I commit to promptly disclose any potential conflict which I am aware of or become aware of to the church staff.

3. I understand that the church does not allow its facilities to be generally available for public use, and that my use of these facilities is subject to the church’s approval, which is conditioned in part on my agreement to the requirements in the “Church Use Purpose Statement”, shown above of which I have read and understood.

4. I understand that I will be responsible for any damages to the church facilities resulting from this proposed use of facilities.

5. The church believes disputes are to be worked out between parties without recourse to the courts. See, generally, Matthew Chapter 18 and 1 Corinthians Chapter 6. Accordingly, users of the facility agree to attempt resolution of any disputes through Christian mediation.

**King Street Church Policy: King Street Church facilities may not be used for the purpose of raising monies for projects not related to some authorized activity of KSC or its mission, or for sales, fundraising, or promoting for individual profit.** Church functions take precedence over any other activities in the use of facilities.

Cleaning charge: If the room is left dirty, or requires more than general cleanup, then a \$100 minimum cleaning fee will be due and payable within 10 working days, and before the facility can be used or rented again.

Technical Support: KSC will support church events. If technical support is needed for other users, we will attempt to recruit a technical support person; applicable fees will apply. Facility Host: If your event does not have KSC representation, a staff member will be provided (if available), applicable fees will apply.

Hours of use: **Private Renters** must contain their use of KSC facility to hours between 8:00 AM and 9:00 p.m.
