2018 Operation Christmas Child Warehouse Information

Our mission is to help churches, groups and individuals fill shoeboxes to reach our world for Jesus Christ.

We do this through purchasing large quantities of basic items at discounted prices and selling them at cost to everyone who fills shoeboxes. All workers are volunteers and we welcome additional volunteers and donated items throughout the year.

Location: 305 W. Commerce Street, Chambersburg, PA 17201 Direction Note: Look for sign with orange-faced man in black hat at top. OCC signs are low on ground. Turn right into parking lot and stay to the right along alleyway fence. Go about halfway down the alley way for entrance with steps. Loading area further down alleyway at sign.

The OCC Warehouse will be offering a special 'Fill a Box' opportunity to fill your shoeboxes this year at the warehouse. On any of the days we are open through the year, you are welcome to fill a shoebox for \$15. That total covers the \$9 shipping cost as well as \$6 for the items in the box. Shoebox is provided or you can bring your own to fill. You may take the filled box with you to be counted at your church or you can leave the box at the warehouse and it will be counted and delivered to a local collection center during Collection Week in November. Payment by cash or check is due at the time when you fill the box. The warehouse will send in the shipping money for all the boxes to Samaritan's Purse during the Collection Week.

Items available for the box include:

School Kit (containing coloring book, paper, crayons, pencils, erasers, sharpeners, pens, stickers), tee shirts, socks, toothbrushes, combs, soap and washcloth, balls, jewelry, hair decorations, stuffed animals, some handmade items (such as carry all bags, hats, scarves) small misc. toys and other donated items.
