1. Jr High Division: Due to having 7 teams participating this is what we are doing. MHR will have a 1st round bye. After the first round winners will advance to the next round, the 4th team will be decided by most points scored by one of the losing teams

In case we have a tie in points the 2 tied teams will have 3 players each shoot 2 fouls shots each with the highest team advancing to the next round

The two winner advance to the championship game, the losers advance to the second consolation game. Each team will have one selection to the All-Tournament Team
