### [Escort - Tired of all the games with men. Just want to have](#)

*Tired of all the games with men. Just want to have fun and make money at the same time. I have great conversation and enjoy mental stimulation. I am new to this game so maybe you can teach something new. Our encounter doesn't have to be a one time thing but we can make it ongoing. Your pleasure is my pleasure. I am a working college student and mother so my schedule varies. Hit m up because i just may be available when you are. Who knows we may see each other regularly at a set time. I can come to you no matter where you are in the Twin Cities. I am open to exploring with you. I can even spend the weekend with you or have an overnight encounter if you like. If you want to fly me out to you then I am open for that as well. I am pretty open so just hit me up and let's see how we can help each other out.*
