[Escort - don't let the price fool you, if your here to get](#)

don't let the price fool you, if your here to get something cheap that's not me. I know my worth and I'm not that desperate. and unless you can realize I wouldn't be a high roller if it wasn't worth it. don't be afraid to shoot me some numbers, I'll negotiate. just remember it's the numbers that are talking. so let me know I'm ready whenever.
