[Escort - Some of you may be thinking &quot;that lady looks](#)

*Some of you may be thinking &quot;that lady looks familiar&quot; or&nbsp; you may remember me from the RB days. I was MsBhaven back then... well I&apos;m still misbehaving&nbsp; just going by a new name. Ooooh the good old days!!&#128068; I still take the utmost pride in providing the same exquisitely unique, personalized, classy and sensuously memorable encounter! As always I provide an immaculate, meticulously clean, safe, secure and relaxing environment where you&apos;ll be validated, appreciated and genuinely treated like the King you are. A private place where you&apos;ll find your inhibitions a distant memory. &#128068; Few can describe in a mere sentence what they do, and actually facilitate it! I&apos;m not out there like everyone else. I&apos;m deliciously creative and it&apos;s never a numbers game for me. Truth is if your going to treat yourself dont waste your time on an encounter youll regret.. if you even remember it tomorrow. Youll never find me listed in the &quot;escort&quot; section. I am not an escort. I&apos;m more of an &quot;Intimacy Surrogate&quot;. I love everything about sensuality, intimacy, erotism and SEDUCTION. It truly is my &quot;Thing&quot;&#128068; Come surrender yourself to Blissful Opulent waves of Euphoric Rapture as they engulf you, again and again. If pampering of this nature is something you&apos;re a little less familiar with, rest assured I&apos;ll erase any nervousness you may have. Of course, if you&apos;re a more seasoned sailor of these waters, then let me assure you, I&apos;ll be that Unique breath of fresh air you desire and deserve. When setting up a time to come play, please give me a wee bit of notice. More importantly, be sure to allow yourself enough time to fully relax, so our time together isnt rushed and you can fully enjoy your time with me&#128068; You&apos;ll love my balance of charm, sophistication and mischievousness. I&apos;ve been called; sensually playful, seductive, and very sexy. Spend your time with a woman who&apos;s classically beautiful, intelligent, giving, non-judgmental and genuinely attentive! My one-of-a-kind personality will make you crave an encounter with me time and time again. So to all the men who know you are Kings, you won&apos;t find a Princess here; they always need saving. I am a Queen; I shoot straight from the hip and handle my own business.&nbsp; &#128068; What is an Intimacy Surrogate? A Surrogate teaches clients sensual and sexual touch, breathing techniques, relaxation skills and sensate focus by taking them through various exercises and experiences&#128068; The Art Of Seduction; Robert Greene The key to such power is ambiguity. In a society where the roles everyone plays are obvious, refuse to conform. Why worry about being socially acceptable; those types are a dime a dozen, and you crave something greater than that.&#128068;*
