*I'm so excited that you're interested in booking me! My life is quite busy, full, and lively. I'm a full-time student focusing on STEM studies who's as nerdy as she is funny! I like to think of myself as a classic girl next door- a gal who's outgoing, loves to laugh, and excited to meet new people! Long, intellectual, and intimate conversations are my forte. I love getting to know people on a deeply personal level, and enjoy sharing myself in this way too. My appetite for intimacy on all levels is insatiable! If you're looking for someone who's passionate about her work and truly loves modeling, you've found her. If you're looking for a dinner date companion in Raleigh NC, or an overnight companion and escort in Raleigh NC, you've also come to the right place! I'm only interested in people that I can genuinely connect with. My life is full and busy, and time is something that's precious. I choose to spend my time as wisely as possible! Please do spend time reading my site. When you're ready, please fill out my booking form. My assistant Erin will respond to you as soon as possible. Thanks for taking the time to get to know me!
