

## IEP Worthy Guiding Questions

## Getting to child outcomes (what to teach)

•	1.	Could you say more about what you want the child to know/do?
(		What seems to be in the way of the child knowing/doing?
		When does the child have the greatest success/struggle the most?
		How do skills from other areas of development and learning relate to or impact the
		child knowing/doing ?
(	6.	What is an earlier version of ?
7	7.	child knowing/doing? What is an earlier version of? How could be simplified?
8	8.	What are the implications for the child not knowing/doing?
(	9.	Where did the expectation for the child to know/do come from?
	10.	Where did the expectation for the child to know/do come from? When do other children typically know/do?
