**Re: Request for Tribal Consultation regarding the EPA's Clean Water Act Action on
Alaska 2006 Revised Mixing Zone Rule**

Dear Mr. Beckwith:

The Alaska Department of Environmental Conservation (ADEC) proposes to revise the Clean Water Act (CWA) section 303(c) on Alaska's Mixing Zone Rule.

As described in the letter dated December 6, 2019, for a New Invitation for Tribal Consultation regarding the Environmental Protection Agency's (EPA) Clean Water Act Action on Alaska's 2006 Revised Mixing Zone Rule, this is an opportunity for consultation with the EPA and Tribes. Central Council Tlingit & Haida Indian Tribes of Alaska (Tlingit & Haida) formally requests a government to government consultation with the EPA regarding this action.

Please feel free to contact Desiree Duncan, Native Lands Manager at 907-463-7183 or dduncan@ccthita-nns.gov or Raymond Paddock, Environmental Coordinator at 907-463-7184 or rpaddock@ccthita-nns.gov regarding this consultation request. Thank you.

Sincerely,

Richard J. Peterson
President
