

We are a people of defiant hope: Christ has died, Christ is risen, Christ will come again

We Hope To See:

Humanity growing toward peace

Civility for Humankind

Greater commitment to spending equal internal/external growth in what it means to love your neighbor

Less judgment

Love must win

We Hope To See:

All of us standing in solidarity

The death of what is so that thy kin-dom comes on Earth

Guitars not guns

Peace with justice

Communities with streets safe for everyone

You are not your grades! Remember to experience and live life fully.

We Hope To See:

More plants in the library

Analog over digital

The participation of our best, truest, divine selves

Hospitality

Love one another; do unto others

We Hope To See:

Building one another up, not breaking each other down

More love, less fear

All religions loving everyone

Colorblind justice

To live is to protest

We Hope To See:

Radical hospitality... No matter who you are or where you are on life's journey, you are welcome here – even if we disagree – respect a diversity of thought and language.
