REFORMED CHURCH IN THE UNITED STATES

HISTORICAL SKETCH

The Seminary was founded in 1825 under the direction of the Synod, which, at that time, included practically the whole of what was then known as the "German Reformed Church." Its first quarters were secured by arrangement with Dickinson College, located at Carlisle, Pennsylvania. The first professor was the Rev. Dr. Lewis Mayer. In the same year, 1825, the Rev. James Reily traveled through Europe in the interests of the new Seminary and secured considerable donations in money and books from friends of the Reformed Church in Holland, Germany, and Switzerland, including a generous contribution from the King of Prussia. The endowment of the first professorship was completed by means of subscriptions of \$100 each, secured chiefly from the congregations at Frederick, Hagerstown, Shepherds-town, Chambersburg, and York.

In 1829 the Seminary was established independently at York. Here there were two professors. Dr. Frederick A. Rauch at the same time taught theology and served as principal of a preparatory classical institution, which, in 1835, developed into Marshall College, at Mercersburg.

A charter, by which the Seminary is still governed, was obtained from the Legislature in 1831. It authorized the election of two Boards by the Synod. The Board of Trustees, consisting of eighteen laymen, holds the property and administers the funds, while the Board of Visitors, consisting of twelve ministers, oversees the educational work and is responsible for the spiritual interests of the Seminary. The confessional standard of doctrine is the Heidelberg Catechism.

In 1837 the Seminary joined Marshall College, at Mercersburg. The successors of Professors Mayer and Rauch were Dr. John W. Nevin (1840-51) and Dr. Philip Schaff (1844-65). Under their leadership the so-called "Mercersburg Theology" became characteristic of the Seminary.

The first chair, that of Systematic Theology, has since been occupied by Drs. Bernard C. Wolff (1852-64), Henry Harbaugh (1864-67), Emanuel V. Gerhart (1867-1904), Christopher

Noss (1904-10). The successors of Dr. Schaff, in the Historical Department, were Drs. E. E. Higbee (1865-71) and Thomas G. Apple (1871-98). A tutorship, established in 1861, after twelve years became the third professorship, the chair of Hebrew and Old Testament Science, which was held by Dr. Frederick A. Gast from the time of its establishment until January 1, 1909, when he became Professor Emeritus.

In 1871 the Seminary, following Marshall College which in 1853 had been united with Franklin College, removed to Lancaster. Here, for over twenty years, lectures were held in the classrooms of Franklin and Marshall College. The present home of the Seminary is a group of buildings erected in 1894 and 1916-17 on ground opposite the campus of the College.

The mother Synod having grown and become eight Synods, a readjustment of relations became necessary. In 1893 the charter was amended so as to vest the control of the Seminary in the three eastern English Synods, namely, the Eastern Synod (the successor of the original body), the Pittsburgh Synod, and the Synod of the Potomac. Each is represented on the Boards in proportion to its numerical strength.

In 1913 the charter was again amended so as to enable the Board of Trustees of the Seminary to confer the degree of Bachelor of Divinity.

The Synod of the Potomac, in 1891, endowed the fourth professorship, that of New Testament Science, of which Dr. John C. Bowman (1891-1904) was the first occupant and the second was Dr. William C. Schaeffer (1904-1921). The Pittsburgh Synod two years later added a fifth—the Chair of Practical Theology—of which the first occupant was Dr. William Rupp (1893-1904).

The professors of Systematic Theology, Church History, and Hebrew and Old Testament Science are nominated by the Eastern Synod; the professors of Practical Theology and New Testament Science are nominated by the Pittsburgh Synod and the Synod of the Potomac respectively. The election of each professor must be confirmed by the three Synods.

In 1905 an endowment was provided for the Chair of Systematic Theology, through the liberality of Dr. John I. Swander and his wife, Barbara, as a memorial to their daughter and son,

Sarah Ellen and Nevin Ambrose. The Eastern Synod resolved that this professorship be named the Sarah Ellen and Nevin Ambrose Swander Professorship of Systematic Theology. The other two Synods confirmed this action.

In 1925 Mr. and Mrs. John B. Kunz, members of the Abbey Reformed Church, of Huntingdon, Pa., gave a liberal contribution to the Endowment Fund of the Seminary. In recognition of this gift the Potomac Synod unanimously resolved that the professorship of the Potomac Synod be henceforth known as the John B. and Mary C. Kunz Professorship of New Testament Science of the Synod of the Potomac. The other two Synods confirmed this action.

In 1929 the Rev. Dr. and Mrs. U. Henry Heilman, of Lebanon, Pa., made a substantial contribution toward the endowment of the Professorship of Church History. The Eastern Synod in recognition of this liberal gift unanimously resolved to call the professorship the Dr. U. Henry and Emma Meily Heilman Professorship of Church History. The other two Synods confirmed this action.

In 1929 a munificent gift toward the endowment of a Professorship of Christian Education was given by Miss Amelia E. Rahauser, of Pittsburgh, Pa., in recognition of which the Eastern, the Pittsburgh, and the Potomac Synod unanimously voted that the professorship shall be known as the George Frederick Rahauser Professorship of Christian Education.

In 1930 Mr. Martin Fey, Elder of St. John's Reformed Church, Tamaqua, Pa., made a contribution of twenty-five thousand dollars, the annual income of which is to be used to support the Organist and Instructor in Sacred Music. The three Synods, at the recommendation of the Board of Trustees, by unanimous vote established the Martin and Anna E. Fey Foundation of Sacred Music.

R. Monroe Hoffman, Elder of the First Reformed Church of Reading and a member of the Board of Trustees at the time of his death, incorporated in his last will and testament the following provision for the Seminary:

"I give and bequeath three-fifths of said residue of my estate to the Board of Trustees of the Theological Seminary of the Re-

formed Church in the United States, at Lancaster, Pennsylvania, for a fund to be known as the 'R. Monroe and Rebecca S. Hoffman Foundation for the Support of the Office of the President of the Seminary' in trust to invest the same and to pay over the income to the incumbent for the time being of said office as arranged by the Trustees."

The executors have paid to the treasurer Seventy-six thousand seven hundred and fifty dollars. The bequest, after all the assets are liquidated, will amount to more than Eighty thousand dollars.

At the recommendation of the Board of Trustees, Eastern, Pittsburgh, and Potomac Synods established the Foundation according to the provision of the will of Elder Hoffman, the same to be recorded in the annual catalogue of the Seminary.

THE SYNOD OF THE POTOMAC FELLOWSHIP FUND

The history of the Fellowship Fund is recorded in the Minutes of the Potomac Synod, June 1937, pp. 17-18, as follows:

"At your meeting in June, 1936, you directed the Board of Trustees to report at the next annual meeting as to the use of the Fellowship Fund. In doing this, we believe it would be of interest to the Synod to have certain facts concerning the history and progress of the Fund set forth for our information and record.

"What is known as 'The Fellowship Fund' first came before the Synod at its meeting in Hanover, Pa., in 1890—forty-seven years ago. The Synod had just completed raising a Fund of \$35,000.00 for the endowment of the Potomac Synod Professorship, in the Theological Seminary at Lancaster, Pa. The chairman of the Endowment Committee in making his final report, reported he had several subscriptions in hand for a Fellowship Fund and delivered to the Synod for said Fund an obligation for \$1,000.00. The Fund was established. The purpose and goal was to gather a Fund of \$10,000.00, the interest of which was to be placed at the disposal of the Theological Seminary at Lancaster. The following year an additional \$100.00 was reported.

"It may be of interest to give the record of the first contributors to this Fund: Elder Samuel Hoefflich, of Waynesboro, Pa., \$100.00; Rev. J. A. Hoffheins, \$100.00; Rev. J. C. Bowman, \$100.00; and 'a friend' from Littlestown, Pa., \$800.00, making a total of \$1,100.00.

"Apparently there was little response by the Church, if any organized efforts were made to add to the Fund, through the years. In 1921 there is reported a gift of \$1,000.00 from Mrs. Mary M. Fouse, of Huntingdon, Pa., in memory of her husband. Other than these gifts, the Fund has largely accumulated by interest and investment returns.

"Nowhere do we find the expression of any definite plan for the administration of the Fund until in the Minutes of Synod of 1921, when a committee consisting of Rev. J. Stewart Hartman, then President of the Board of Trustees of Synod, Rev. John L.

Barnhart, then Secretary of the Board of Trustees, and Rev. A. S. Dechant, was appointed to confer with the faculty of the Theological Seminary at Lancaster to determine the rules and conditions by which the Fellowship might be administered.

"The committee 'after a careful study of the entire subject and an earnest conference with the Seminary Faculty' submitted the following report of said conference, which was adopted by the Synod and now stands as the rules by which the Fund is to be administered.

"The Fund shall be called 'The Synod of the Potomac Fellowship Fund.' This Fund shall consist of a minimum of \$10,000.00 whose income shall be used for the following purposes:

"The object of this Fund shall be to enable a student designated by the Faculty to pursue a course of study approved by the Faculty of this Seminary in an institution similarly approved.

"Students who are members of the Reformed Church shall be eligible to this Fund; provided, they have completed a full course in a college of recognized standing, and a three-years' course in this Seminary; and provided their scholarship, general culture and physical condition are satisfactory to the Faculty.

"Men in the active work of the Reformed Church, who have fulfilled the above conditions, shall also be eligible to this Fund.

"This Fund shall be given to men for the period of one year; at the discretion of the Faculty, it may be given for a second term. The appointee shall make semi-annual reports of his work to the Faculty, copies of which shall be placed on record.'

"At the Synod meeting in 1921 the Fund amounted to \$5,250.10 and the committee urged the completion of the Fund at the earliest possible moment.

"The Fund has continued to accumulate until as of April 29, 1937, it amounts to \$12,514.37.

"Inasmuch as the Fund now exceeds the goal set for it years ago, it is recommended that Synod give to its Board of Trustees the authority to transfer to the Board of Trustees of the Theological Seminary at Lancaster, all bonds, investments and monies of the Fellowship Fund, and that the transfer be made as soon as convenient and advisable."

"Respectfully submitted,
RALPH E. HARTMAN"

PURPOSE

The aim of the Seminary is to train men for the Christian ministry, the purpose of which is to make the will of God, as revealed in Christ, prevail in human life through men and women who cooperate in the churches for the furtherance of the Kingdom of God.

The student for the ministry, therefore, in his three years' course is to be given: (1) a thorough knowledge of the Christian religion in its Biblical, historical, doctrinal, and practical phases; (2) the ability to interpret the abiding truth, as it is in Jesus Christ, in the language of our age, and to understand its relation to the scientific, historical, and democratic spirit of our times; (3) efficient training in the practical promotion of the Kingdom of God on earth through the application of the gospel of Jesus Christ to the manifold individual and social needs of mankind. Accordingly the endeavor of the Faculty is to blend in the curriculum the theoretical and the practical disciplines; to avoid, on the one hand, mere pedantry, and, on the other, mere sentimental pietism; at the same time to prepare thoroughly educated and consecrated Christian men, approved unto God, workmen that need not be ashamed, handling aright the word of truth. To this end branches of study that have been common to the seminaries in the past have been substantially preserved—the interpretation of the Bible on the basis of a working knowledge of the Hebrew and the Greek languages, and from the standpoint of its origin and setting in the ancient oriental world; a survey of the history of Christianity; a systematic and rational presentation of Christian doctrine; and thorough training in the various disciplines of practical theology.

In the light of the new conception of the Kingdom of God, the new mental and spiritual mood of men, and the new conditions of life in the world, emphasis, however, has been shifted from the dogmatic to the exegetical and historical studies, and the scope of the practical department has widened, so as to include both the personal and the social relations of life in the application of the gospel. To meet these needs new courses have

been provided in the history of religions, the psychology and philosophy of religion, religious education, sociology from the Christian view-point, and the history, theory, and practice of missions. Special attention is given to the preparation and delivery of sermons, the conduct of worship, and the administration of the affairs of congregations in city, town, and country.

ADMISSION AND EXAMINATIONS

The regular time for entering the Seminary is in September, on the day when the academic year begins.

Every applicant must produce satisfactory testimonials that he possesses good natural talents and is of prudent and discreet deportment; that he is a member in good standing of some branch of the Christian Church and has passed through a regular course of academic study, or, wanting this, he shall submit himself to an examination in regard to those branches of literature taught in such a course, especially those generally taught to the end of the Sophomore year.

In exceptional cases, owing to peculiar circumstances, students who meet the requirements for admission may be allowed to take selected work approved by the Faculty and be enrolled as special students. They must submit themselves to all the general regulations of the Seminary and fulfill all the requirements of the courses they take. On the completion of the selected courses such students receive a certificate for the work done, instead of the testimonial awarded to those who complete the full course.

Every student before he takes his standing in the Seminary shall subscribe to the following declaration, *viz.*:

"Recognizing the importance of improving in knowledge, prudence, and piety, in my preparation for the Gospel Ministry, I promise, in reliance on divine grace, that I will faithfully attend all the instructions of the Seminary; that I will observe the rules and regulations of the institution; and that I will obey the lawful requirements and yield to the wholesome admonitions of the professors and Board of Visitors of the Seminary, while I shall continue a member of it."

The first term of every student in the Seminary shall be considered as probationary; if at the end of that period any student shall appear to the professors not qualified to proceed in his studies, they shall dismiss him from the Seminary.

The Seminary is open, on the terms here stated, to students from other Christian denominations as freely as to those of the Evangelical and Reformed Church; but such applicants as have been previously connected with a theological institution must produce an honorable dismissal before they can be received.

Students are required to remain during the entire period prescribed by the Board of Visitors, without whose permission no one shall, under any circumstances, disconnect himself from the institution. The Faculty, if they see proper, may give leave of temporary absence from the Seminary.

At the close of the year an examination is held in the presence of the Board of Visitors appointed by the Synods. The members of the Senior Class are required to write sermons on passages of Scripture proposed by the Professor of Practical Theology. These sermons are distributed among the members of the Board of Visitors for criticism four weeks prior to the annual examination.

Those students who have completed a full course are graduated at the close of the year, when the Anniversary is celebrated and Testimonials are awarded.

Sacred Music

DR. SYKES

This department aims to increase the student's interest in Church Music. The Wood Memorial Organ in Santee Hall, a fine new instrument with lovely modern voicing, yet altogether churchly in its tonal resource, is used at each Chapel Service in a manner calculated to assist a worshipful spirit.

In connection with the lectures on the History of Church Music, the student body is rehearsed in the use of the various canticles found in the hymnal. In addition to the lecture hour, a separate weekly rehearsal is scheduled for those who care to attend. This smaller group will be used in occasional chapel services and to illustrate a number of the lectures.

Lectures on the History of Church Music; and on Present-Day Music in the Church. 1 hr. a week throughout the year for the Junior Class; elective for the Middle and Senior Classes.

Church Music Rehearsal, 1 hr. a week throughout the year, elective.

The lectures demonstrate plain song and medieval chorus music. Influence of the Opera. The modern Roman Catholic Mass. The German Chorale and Anglican Hymn. Present-day Choir Problems. Organ tone demonstrated. Suitable Organ Music. A thorough study of the Reformed Church Hymnal.

The Daily Program

Lectures and exercises as far as possible are held in the afternoon of Monday and the forenoon of the following four days of each week. The work of each day is preceded by a fifteen minutes' service of worship, which is conducted in turn by the professors and students, and by invited or visiting ministers.

Prizes

The Schaff Prize in Church History.—A prize in Church History was endowed in December, 1891, in the sum of \$2,000, one half being contributed by the Rev. The prize for the year 1940 was awarded to Mr. Donald W. Schlicher; Mr. Paul E. Strauch received honorable mention. The committee of award consists of the Revs. Paul J. Dundore, Ph.D., D.D., Victor A. Ruth, and Morris H. Cooper.

The Jacob Y. Dietz Prize.—A bequest of \$2,000 was given to the Seminary by Elder Jacob Y. Dietz in 1902 for the establishment of a prize scholarship in such departments as the Faculty may determine. The proceeds of the fund are annually awarded to the students who have proven themselves most efficient in the department announced the previous year by the Faculty. For the current year the subject is "The Great Evangelist of the Exile: His Writings, His Times, His Message." Two prizes, the first of \$60 and the second of \$40, will be awarded by a committee to the successful contestants. For the year 1940 the first prize was awarded to Mr. Donald W. Schlicher, and the second to Mr. Albert C. Robinson. The committee of award consists of the Revs. Howard Obold, Alfred N. Sayres, D.D., and James R. Shepley.

STUDENT ACTIVITIES

Besides the work done by members of the Faculty, there are various lectures and exercises provided by organizations of the students. The Alumni of the Seminary and others who are versed in the practical work of the Church are frequently invited to give the Seminary the benefit of their experience. Some time during February or March of each year a day is devoted to a Missionary Conference.

The Society of Inquiry is an association of the students which meets weekly for mutual development in the study of theological topics and for the discussion of practical and missionary subjects.

No charge is made for tuition and other purposes, except as noted here. While no rental is charged for furnished rooms in Richards Hall, students, however, pay for heat, light, and other expenses incident to running the dormitory; the charge for the Seminary year for these items, together with boarding in Dietz Hall is from \$225 to \$240.* One fourth of these fees is payable at the opening of the year; one half of the balance on or before February 1, and the remainder on or before April 1.

No refund is made by the Refectory for meals not taken there. Guests of students, taking meals in the Refectory, will be charged moderate rates.

Special classes of students, as the following, pay a nominal fee: (1) Post-graduate applicants for the B.D. degree pay a fee of \$10; (2) Students of the Evangelical and Reformed Church, not residing in the dormitory, pay an annual fee of \$5; (3) Full course students of other denominations, who are not residing in the dormitory, pay an annual fee of \$25; (4) Students of other denominations, taking a partial course, pay \$5 for three courses or less a semester. These fees are payable to the registrar at the time of registration.

* These fees as quoted are subject to change.

EQUIPMENT

The Main Building

The present Seminary buildings occupy an elevated plot of several acres in the western part of the city. Pure air and rural seclusion, combined with the advantages of the city, make the location an ideal one for student life.

The most prominent and characteristic feature of the Main Building is the Prayer Hall, named in honor of Mr. Charles Santee, for many years president of the Board of Trustees, and a liberal patron of the Seminary. The hall is used daily for prayers, and is especially adapted for homiletic exercises and for public occasions.

Four large lecture halls give ample accommodations for classroom work. Adjoining the halls are the private offices of the professors, where, at suitable times, students and visitors are cordially welcomed.

The Dormitory, Gymnasium, and Refectory

During the years 1916 and 1917 two buildings were erected, which afford rooming and boarding accommodations for students. The Dormitory bears the name of *Walter F. Richards Hall*, in appreciation of the generous contribution made by Mrs. Eliza R. Richards and her daughters, Ella L. and Clara A.

The Arcade between the Dormitory and the Library is the gift of Mr. and Mrs. Theodore M. Wood.

The Arcade between the Dormitory and the Refectory is the gift of St. John's Church, Shamokin, Pa., Rev. C. B. Schneder, D.D., Pastor.

Well-furnished double and single rooms, with ready access to bath and toilet, afford accommodations for from fifty to sixty students. The rooms, costing from one thousand to fifteen hundred dollars, are gifts of individuals and congregations whose names are engraved on the door-plates.

On the ground floor there is a gymnasium, which has been constructed and equipped in memory of Dr. Eugene I. Santee, Phila-

delphia, Pa., a former member of the Board of Trustees. On the same floor, there is a cozy Social Room, known as "The Lounge," the gift of Mr. and Mrs. F. W. Biesecker, Somerset, Pa.

Connected with the Dormitory, by an arcade, is the Refectory, which bears the name of *Dietz Hall*, in appreciation of the character and services of Jacob Y. Dietz, Philadelphia, Pa., who, for many years, was a member of the Board of Trustees of the Seminary. The Refectory is a spacious building of exceptional architectural beauty. The Bible Mantel, designed and contributed by Dr. Henry C. Mercer, Doylestown, Pa., reproduces many Biblical illustrations found on the earliest stove plates amongst the early Germans in the United States, and is a unique product of the tiling art. The windows, which portray in symbolism the spirit of the Christian religion from its earliest history down through the several ages, are masterpieces of art from the D'Escenzo Studios, Philadelphia, Pa.

The Library

The Library is connected by arcades with the main Seminary building and the Dormitory. The main Library building was erected in 1894 through the munificence of the following, whose names are inscribed on a tablet in the entrance hall:

Philip Schaff, D.D., LL.D.
Charles Santee
B. Wolff, Jr.
Jacob Y. Dietz
Mary Heilman
Margaret Scholl Hood
P. C. Wiest
Frank H. Hersh
George G. Heilman

Charles A. Meek and wife Priscilla

In 1917 an extension, known as the Annex, was erected in commemoration of the four-hundredth anniversary of the beginning of the Reformation and the ninety-second of the founding of the Seminary. In this there are, besides additional stacks, a reading-room, supplied with church papers and theological magazines, and a room containing the principal works of reference. In connection with the latter are eight small rooms for the private use of those who are pursuing special studies. These small rooms bear the names of the following donors:

Rev. John I. Swander, D.D., Ph.D.

Rev. Charles R. Ferner

Gen. Harry C. Trexler

James F. Hunsicker

Second Church, Greensburg, Pa., Rev. Silas B. Mase,
D.D., Pastor

The Family of S. P. Zimmermann, in memory of him

Mrs. Cora Richards Burger, in memory of Milton S.
Richards, M.D., and Frederick M. Richards, A.B.

Mr. and Mrs. A. Wesley Heller, and Clarke W. and
Hoyt E. Heller, in memory of Ruth A. Heller.

On the north wall of the Annex is a large bronze tablet recording the names of other contributors, both individuals and churches, to the erection of the building.

Besides the Jacob Y. Dietz Librarianship Fund of \$30,000.00 (a bequest from Miss Mary Santee, of Philadelphia, the income from which is for the payment of salaries), there is for the maintenance and increase of the Library a total endowment of \$35,280.98, consisting of a general Library Fund and various special funds. The former now amounts to \$19,000.00, the income of which is for the purchase of books and for other purposes. Of this fund \$14,575.86 was bequeathed to the Library by Dr. F. A. Gast, who was for forty-five years a teacher in the Seminary. The income of all the special funds is restricted to the purchase of books. One, a fund of \$4,000, is a bequest from Jacob Y. Dietz and bears his name. Another, the Class of 1894

REFORMED CHURCH IN THE UNITED STATES

Fund, is in the sum of \$1,500. Eleven funds for \$1,000 each bear the following names, respectively: Henry Wirt; Jacob Forney; Andrew Keiser and Catharine Wirt Shriver; Oak Lane Reformed Church; Frederick A. Gast; Adaline Frey Gast; Rev. U. Henry Heilman and wife Emma Meily Heilman; Elder John Heilman and wife Catharine Heilman; Fathers and Founders—Reformed Church; In Memoriam—Seminary Professors; Heroes and Martyrs—Reformed Church (the last five established as memorials by the Rev. U. Henry Heilman, D.D.). A fund of \$500 was given by the Class of 1901, and one of \$270 by the Class of 1893.

The Library contains about 28,500 bound volumes, besides pamphlets and periodicals. Its policy is to restrict accessions to religious and theological works, with which it is fairly well equipped.

Students have access to the shelves in the main building at convenient hours during the day, and to the Reading Room and Reference Room both day and evening. Others are accorded free use of all the resources of the Library. Persons living at a distance may have books sent to them by mail, being expected merely to pay the postage both ways.

THE HISTORICAL SOCIETY OF THE REFORMED CHURCH IN THE UNITED STATES

A suitable room in the Library of Franklin and Marshall College has been set apart for the collection of the Historical Society. The collection illustrates the earliest history of the Reformed Church in this country and furnishes the student with original sources of our denominational history. In several large cases, contributed by a generous friend of the Society, are exhibited manuscript lectures of theological professors, autograph letters of leading ministers since the days of Boehm and Schlatter, liturgies, hymn books, catechisms, various historical relics, and missionary curios.

The recent reorganization of the Society gives promise of increasing interest in the work of the Society and of its larger growth and usefulness. Rev. H. M. J. Klein, Ph.D., is President, Rev. George W. Richards, D.D., Vice-President, Rev. C. D. Spotts, Secretary and Treasurer, and Herbert B. Anstaett, curator.

THE ALUMNI

The total number of Alumni and one-time students, including those of the current year, is 1,473; 532 Alumni are now on the roll of licentiates and ministers of the Evangelical and Reformed Church.

The Alumni Association meets annually in Santee Hall, on Wednesday of Commencement Week. The members consist of those who have been graduated from the Seminary, or from the Theological Department of Mercersburg College, and have permitted their names to be enrolled, paying an enrollment fee of \$1. There are no other dues.

The members of the Association are cordially invited to attend their annual meeting and to remain for the Alumni Dinner which follows. It will aid the work of the Seminary if all the Alumni become members and take an active part in the work of the Association.

The officers of the Association for the current year are: President, Rev. James R. Brown; Vice-President, Rev. John C. Brumbach; Secretary, Rev. James E. Wagner; Treasurer, Rev. Oswin S. Frantz, D.D.
