THE LAST PLANNER[®] SYSTEM CONFERENCE

SPEAKERS

March 3.&4.,2021

TOM RICHERT

Principal, RisingTerrain LLC

Tom began his work with Lean principles in 2000. He is a regular contributor to the LEI Lean Post, co-author of several papers addressing lean topics, and has lectured to graduate classes at several universities. He is a Lean Summit workshop facilitator, a member of the LCI, and a frequent presenter at LCI annual conferences.

RICH SEILER

Chief Improvement Officer, Unified Works

Rich has more than 35 years of building experience and 14 years of experience in practicing Lean. He is the founder of Unified Works, an adjunct professor at Northwestern University's McCormick School of Engineering, a Six Sigma Green Belt, and has taught classes for The Lean Construction Institute and AGC since 2014.

DAN FAUCHIER

Director, The ReAlignment Group of California

Dan Fauchier has 42 years in construction. He is a Certified Master Facilitator and Certified Virtual Facilitator experienced in facilitating and coaching hundreds of teams, projects and organizations. He is also the co-author of a book titled Lean Project Delivery: Building Championship Project Teams.

ANDY FULTON

Facilitator/Coach, The ReAlignment Group of California

Andy Fulton, PE, PMP is a Certified Scrum Master with 10 years in public service and 5 years coaching and training teams in design and construction and has led or coached over a hundred different teams, projects and organizations. Since joining TRG, Andy has coached dozens of different project teams in LPS.

CHRISTIAN PIKEL

Managing Principal, The ReAlignment Group

Christian has over 20 years of experience in the design and construction industry coupled with 9 years of experience as a student and practitioner of lean construction and engagement with over 30 IPD projects in roles of collaborator, leader, and coach. Christian is an LCI Improved instructor and CoreClarity™ Certified Facilitator.

THE LAST PLANNER[®] SYSTEM CONFERENCE

SPEAKERS

March 3.&4.,2021

COLIN MILBERG

Founding Partner, ASKM and Associates

Colin is principal and founder of ASKM & Associates, a Lean Construction consulting firm. Colin has over 20 years of construction management experience in both the office and the field combined with seven years of university teaching experience in construction engineering and management.

REBECCA SNELLING

National Lean Director, JE Dunn Construction

Rebecca coaches people, teams and organizations on Lean Transformation. She also coaches Leadership on Lean while working with support staff to standardize and improve processes across the organization. She serves as the National Lean Director at JE Dunn and the Vice-Chair of the Board of Directors for the LCI.

CARLA CIEPLISKI

Business Owner & Consultant, Ternion Results

Carla is a Lean coach and consultant with over 20 years of multi-sector experience, with the past 8 years focused on the construction industry. She specializes in both strategic and tactical Lean implementation to achieve operational excellence. She is engaged across Canada to support the Lean Design & Construction movement.

GLENN BALLARD

Director P2SL, University of California Berkeley

Glenn began lecturing on productivity and quality improvement at the University of California Berkeley in 1989 and was named Research Director for the university's Project Production Systems Laboratory (P2SL) in 2005. He co-founded the IGLC in 1993, the LCI in 1997, the P2SL in 2005, and Lean in the Public Sector in 2007.

DICK BAYER

President, The ReAlignment Group Canada

Dick is the President of the ReAlignment Group Canada and an Adjunct Professor at the Burns School of Real Estate and Construction Management at the University of Denver. He is currently working as the IPD/Lean Design and Construction Adviser for the Centre Block Rehabilitation Project of the Canadian Parliament building campus.

THE LAST PLANNER[®] SYSTEM CONFERENCE
