Page 3, line 15, strike "INDEFINITELY." and substitute "INDEFINITELY."

(10) (a) If at any point ten percent of local governments in the state have enacted a local minimum wage law pursuant to this section, a local government that has not previously enacted a local minimum wage law shall not enact a local minimum wage law pursuant to this section until the general assembly has amended this section to authorize additional local governments to enact local minimum wage laws. A local government that enacted a local minimum wage law prior to the point at which ten percent of local governments have enacted a local minimum wage law may continue to amend that law.

(b) For purposes of determining whether ten percent of local governments in the state have enacted a local minimum wage law pursuant to this section, when a county enacts a local minimum wage law, if a local minimum wage law is enacted by any local government located within that county, only the county’s minimum wage law counts toward the calculation of the ten percent. If local governments enter into an intergovernmental agreement on the enforcement or administration of local minimum wage policies, that will only be counted as one local minimum wage for determining the calculation of the ten percent.".".
