PURPOSE: Restores Senate Amendment 12 (J.049), which increased funding for the Department of **Health Care Policy and Financing** by \$2.9 million total funds, including \$1.5 million General Fund, for certain home care provider rates and added a footnote explaining the specific intended rate increases. The appropriation assumes the rate increases would take effect April 15, 2020 and would require another approximately \$1.5 million General Fund in FY 2020-21 to annualize the cost.
