16 Page 4, strike lines 10 through 27 and substitute:
17 (3.5) (a) For the purpose of this section, "person under disability"
18 means any person who is a minor under eighteen years of age, a person
19 who has been declared mentally incompetent, or a person under other
20 legal disability and who does not have a legal guardian. "Person under
21 disability" also includes a victim of a sexual assault when the victim is in
22 a special relationship with the perpetrator of the assault or is a victim of
23 a sexual offense against a child or is a victim who is residing in an
24 institutional facility, such as a nursing home, regional center, or
25 residential facility for the treatment and care of persons with a behavioral
26 or mental health disorder or for the care of persons with intellectual and
27 developmental disabilities and where the victim is psychologically or
28 emotionally unable to acknowledge the assault or offense and the
29 resulting harm. For the purpose of this subsection (3.5), "special
30 relationship" means a relationship between the victim and the perpetrator
31 of the sexual assault which is a confidential, trust-based relationship, such
32 as attorney-client, doctor-patient, psychotherapist-patient,
33 minister-parishioner, teacher-student, or familial relationship. It is the
34 intent of the general assembly to leave in place the ~~six-year~~
35 TWENTY-YEAR limitation for adults subjected to a sexual assault except
36 in the situations described in this subsection (3.5)(a) in which the victim
37 is in a special relationship with the perpetrator of the assault. In the
38 circumstances in which a victim is in a special relationship with the

1 perpetrator of the assault or is a victim of a sexual offense against a child
2 or a victim who is residing in an institutional facility, such as a nursing
3 home, regional center, or residential facility for the treatment and care of
4 persons with a behavioral or mental health disorder or for the care of
5 persons with intellectual and developmental disabilities and where the
6 victim is psychologically or emotionally unable to acknowledge the
7 assault or offense and the resulting harm, the ~~six-year~~ TWENTY-YEAR
8 limitation is tolled until the disability is removed. For the purpose of this
9 section, where the plaintiff is a victim of a series of sexual assaults or
10 sexual offenses against a child, the plaintiff need not establish which act
11 of a series of acts caused the plaintiff's injury, and the statute of
12 limitations set forth in this section commences with the last in the series
13 of acts, subject to the provisions of this section regarding disability.
14 However, as elements of the cause of action, a person under disability
15 who is psychologically or emotionally unable to acknowledge the assault
16 or offense and the resulting harm has the burden of proving that the
17 assault or offense occurred and that he or she was actually
18 psychologically or emotionally unable to acknowledge the assault or
19 offense and the resulting harm.".
