Amend the Energy and Environment Committee Report, dated April 14, 2022, page 4, after line 30 insert:

"Page 19, strike lines 22 through 27 and substitute:

"(ff) (I) (A) On or before January 1, 2025, adopt and enforce an energy code that achieves equivalent or better energy performance than the 2021 International Energy Conservation Code and the model electric ready and solar ready code language identified for adoption by the energy code advisory board pursuant to section 24-38.5-113 (5)(b). This energy code must apply to all construction by state agencies on state-owned properties or facilities, or properties or facilities that are leased by the state under a financed purchase of an asset or certificate of participation agreement.

(B) On or before January 1, 2030, adopt and enforce an energy code that achieves equivalent or better energy and carbon emissions performance than the model low energy and carbon code identified for adoption by the energy code advisory board pursuant to section 24-38.5-113 (5)(c). This energy code must apply to all construction by state agencies on state-owned properties or facilities, or properties or facilities that are leased by the state under a financed purchase of an asset or certificate of participation agreement."
