Page 23 of the bill, strike lines 1 through 3 and substitute:

"(3.5) (a) (I) On or before January 1, 2025, the Division shall adopt and enforce an energy code that achieves equivalent or better energy performance than the 2021 International Energy Conservation Code and the model Electric Ready and Solar Ready Code language identified for adoption by the energy code advisory board pursuant to section 24-38.5-113 (5)(b). This energy code must apply to factory-built structures and hotels, motels, and multi-family structures in areas of the state where no construction standards for hotels, motels, and multi-family structures exist.

(II) On or before January 1, 2030, the Division shall adopt and enforce an energy code that achieves equivalent or better energy and carbon emissions performance than the model low energy and carbon code identified for adoption by the energy code advisory board pursuant to section 24-38.5-113 (5)(c). This energy code must apply to factory-built structures and hotels, motels, and multi-family structures in areas of the state where no construction standards for hotels, motels, and multi-family structures exist.".".
