

HOUSE FLOOR AMENDMENT

BY REPRESENTATIVE Hanks

1 Amend printed resolution, page 3, strike lines 1 through 9 and substitute:

2 "(1) Request a full forensic audit of the 2020 and 2021 elections
3 in Colorado, and a review of the voter rolls for accuracy and updates, all
4 of which should be conducted by a non-governmental agency, and not by
5 any contractors or companies involved in the conduct of elections, in
6 Colorado or in other states or nations;

7 (2) Offer warning to other states of the national security risks
8 inherent with electronic voting systems, such as Dominion Voting
9 Systems, which are built in China, using Chinese labor, and are built with
10 wireless internet connections according to the build sheets provided to the
11 office of Colorado's Secretary of State, and which are not secure in any
12 national security sense of the word; and

13 (3) Call on the United States Congress to reaffirm the rights of the
14 legislatures of the states of the United States to control the conduct of
15 elections in their states."
