SENATE COMMITTEE OF REFERENCE AMENDMENT
Committee on Transportation & Energy.

SB22-090 be amended as follows:

1. Amend printed bill, page 2, line 14, before "UTILITY's" insert "RETAIL".

2. Page 2, after line 21 insert:

3. "(c) "RETAIL UTILITY" means an electric or gas utility in the state that sells electricity or gas at retail to end users.".

4. Reletter succeeding paragraphs accordingly.

5. Page 3, after line 6 insert:

6. "(e) "WHOLESALE UTILITY" means a utility in the state that sells electricity or gas to wholesale customers for wholesale customers to resell to end users at retail.".

7. Page 4, after line 3 insert:

8. "(c) (I) On and after July 1, 2022, if a wholesale utility receives information about a severe weather event or determines that a severe weather event is forecasted and that the severe weather event is likely to result in a significant impact to the wholesale electric or gas rates charged to its wholesale customers, the wholesale utility shall provide written notice of the severe weather event and potential rate impacts to its wholesale customers at least forty-eight hours before the severe weather event is forecasted to reach one or more counties of the state served by the wholesale utility's retail utility customers.

9. (II) The notification requirement set forth in subsection (2)(c)(I) of this section applies only with regard to wholesale customers in the state that have a multiyear wholesale power supply agreement or a full or partial requirements contract with a wholesale utility.".

10. Before "UTILITY" insert "RETAIL" on: Page 2, line 11; Page 3, lines 4, 7, 9, 10, 11, 16, 17, 21, and 27; and Page 4, lines 4, 16, and 20.
