Amend reengrossed bill, page 34, after line 2 insert:

"SECTION 6. In Colorado Revised Statutes, 25-7-111, amend (2) introductory portion and (2)(b) as follows:

25-7-111. Administration of air quality control programs - directive - prescribed fire - review. (2) In addition to authority specified elsewhere in this article, the division has the power to:

(b) Collect data, by means of field studies and air monitoring conducted by the division or by individual stationary sources or individual indirect air pollution sources, and determine the nature and quality of existing ambient air throughout the state. The Commission may only conduct aerial monitoring pursuant to this article if a judge of a court of competent jurisdiction issues a search warrant authorizing the aerial monitoring or if the aerial monitoring covers only an area that is within a public right-of-way and does not include airspace that is more than fifty feet above the ground."

Renumber succeeding sections accordingly.
