7 "SECTION 5. Appropriation. (1) For the 2023-24 state fiscal
8 year, \$50,000 is appropriated to the department of health care policy and
9 financing for use by the executive director's office. This appropriation is
10 from the healthcare affordability and sustainability fee cash fund created
11 in section 25.5-4-402.4 (5)(a). To implement this act, the office may use
12 this appropriation for transfer to the department of revenue.

13 (2) For the 2023-24 state fiscal year, the general assembly
14 anticipates that the department of health care policy and financing will
15 receive \$50,000 in federal funds for transfer to the department of revenue
16 to implement this act. The appropriation in subsection (1) of this section
17 is based on the assumption that the department of health care policy and
18 financing will receive this amount of federal funds, which is subject to the
19 "(I)" notation as defined in the annual general appropriation act for the
20 same fiscal year.

21 (3) For the 2023-24 state fiscal year, \$100,000 is appropriated to
22 the department of revenue. This appropriation is from reappropriated
23 funds received from the department of health care policy and financing
24 under subsections (1) and (2) of this section and is based on an
25 assumption that the department of revenue will require an additional 1.0
26 FTE. To implement this act, the department of revenue may use this
27 appropriation for personal services."

28 Renumber succeeding section accordingly.

29 Page 1, line 101, strike "BENEFIT." and substitute "BENEFIT, AND, IN
