**ARMADA LABS: ARMADA LABS PARTNERS WITH WORLDPAY AT LENDIT FINTECH EUROPE 2018**

**ESTERO, FLORIDA** – November 19, 2018 – [Armada Labs](#) announced today at [LendIt Fintech Europe](#), Europe's leading event in financial services innovation, that it has forged yet another partnership.

Armada Labs has joined forces with Worldpay, a payment processing institution. This partnership will allow Armada Labs' clients to utilize expertise of both companies in the Fintech industry to enable them to start accepting online payments on a global scale. Through their cooperative efforts, they'll combine a vision to be the partner for Fintech commerce for businesses across the globe. They will pool their resources to simplify payments by knocking down borders and obstacles to help businesses achieve more results. The partnership between Armada Labs and Worldpay will further enhance the companies as leading FinTech technology providers that have the unique ability to power global integrated commerce by enabling any payment, anywhere worldwide.

Nick Varnitski, the Co-Founder and CEO for Armada Labs, says, "We are very excited about the partnership because this gives us the ability to offer our clients an avenue to accept more than 300 payment types across 146 countries and 126 currencies. It provides them with more options, and simplifies the process for the client to their customers."
