**Asset-Based Lending Market Alert:
FinCryptio.com Announces Licensing Agreement with FirstBCH.com at LendIt Fintech USA 2018**

The New Standard in Crypto Security

SAN FRANCISCO – April 9, 2018 – FinCryptio.com announced today at LendIt Fintech USA, the world’s leading event in financial services innovation, that it has entered into a licensing agreement with FirstBCH.com, a crypto asset-based alternative lender. [FinCryptio](http://FinCryptio.com) will implement its next-gen crypto security solution for [FirstBCH](http://FirstBCH.com), enabling the lender to conduct safe transactions in the nascent crypto asset-based lending market. According to the licensing agreement, [FinCryptio](http://FinCryptio.com) will provide white labeled Android and iPhone applications, as well as a back end secured by [FinCryptio](http://FinCryptio.com)’s proprietary security technology. According to its CEO, Mike Myers, “[FinCryptio](http://FinCryptio.com) will be offering similar white label licensing agreement solutions to lenders starting today, at LendIt Fintech USA.”

About FinCryptio.com

[FinCryptio](http://FinCryptio.com)’s patent pending, best-in-class technology encompasses the positives from cold, hot, and multi-signature wallet solutions, without the numerous limitations these inferior technologies present.

[FinCryptio](http://FinCryptio.com)’s solution provides clients with advantages in three key areas:

Security, Transparency, and Accessibility.

Security: [FinCryptio](http://FinCryptio.com)’s proprietary security technology locks down your crypto assets, preventing theft or seizure of your coins, while simultaneously allowing for safe and secure de-escrowing at any time.

Transparency: Unlike other solutions, [FinCryptio](http://FinCryptio.com) provides clients with complete transparency, enabling customers to verify their coins are secured via a public address.

Accessibility: [FinCryptio](http://FinCryptio.com)’s solution provides clients with formidable accessibility options, giving customers and institutions the ability to react immediately to market conditions, or any other event.
