SYMMETRY BLOCKCHAIN ADVISORS PARTNERS WITH CHAIN ADVISORS

[Orlando, FL – April 9] – Symmetry Blockchain Advisors, Inc., a leading advisory and services company in the blockchain and initial-coin-offering industry, announced today a partnership with Chain Advisors, LLC a company with deep expertise in blockchain technology and infrastructure, to enhance the technical solutions and strategies available to Symmetry’s customers.

Through this partnership, Symmetry is leveraging the strong blockchain technical expertise of Chain Advisors that will help organizations through the architect design and buildout of their blockchain initiatives. Services to clients will include full processing and integration of the blockchain work flows and structures. In addition, customers can utilize this expertise in their pre-market, end-user testing and quality control reviews of the blockchain infrastructure.

“Symmetry is a perfect partner for us so that we can offer our technical expertise to a greater market,” said Cijoy Olickal, Partner of Chain Advisors. “Together we are able to offer our clients a full spectrum of strategic solutions.”

“At Symmetry, our goal is to be able to work with our clients from the beginning of the blockchain process through POCs and completion of the entire implementation,” said Debbie Hoffman, CEO at Symmetry. “This partnership allows our clients to not only trust our business strategy acumen, but to develop their blockchain solutions with us as they are brought forth to market.”
