

# Turnkey Lender Announces a Free Edition at LendIt Fintech USA 2018

San Francisco, April 9 — [Turnkey Lender](#) announced today at [LendIt Fintech USA](#), the world's leading event in financial services innovation, that a free edition of Turnkey Lender Loan Origination and Management Solution is released in the US.

Turnkey Lender Free Edition is specifically designed for lenders who want to add an online channel to their existing offline operations, and for companies who aim to start digitizing their manual application processing. Free edition can be an easy and risk-free introduction to Turnkey Lender cloud-based loan origination and management system that automates every step in the origination and account servicing processes.

## **Here are some of the special ingredients of Turnkey Lender Free Edition:**

- Interface that allows borrowers to apply for loans online. It provides a responsive form for loan application that is integrated into your website. Borrowers can select loan size and term, attach documents and chat with the support team.
- Loan origination and underwriting workflow with multiple user roles. Loan Originators can specify interest rate, loan amount and set payment schedules. Underwriters can approve or reject loans or send them for reprocessing. Supervisors can review all the processed applications and the decisions made for each of them. They can export all the customers' data into Excel for reporting and data analysis.

Turnkey Lender Free Edition provides a faster and smarter way to online lending. Now offline lenders can add the online channel to their lending operations for free outpacing their competitors by going digital ahead of them. They can grow and structure their customer database, reaching more borrowers online and increasing lifetime value of the existing customers.

LendIt Fintech USA, a gathering of more than 6,000 industry professionals in San Francisco, showcases the leaders in innovation across financial services including the digital banking, fintech, blockchain and lending industries.
