

Index to
LONG GROVE LORE AND LEGEND

The following index for LONG GROVE LORE AND LEGEND, by Virginia L. Parks, published in 1978 by the Long Grove Historical Society, includes all the names in the text, illustrations and captions for photographs. It does not include the names on the plat maps on pages 61 & 62 or the front and back covers. Names have been copied as they appear, therefore one person may be listed in more than one way -- given name, nickname, initials. Whenever it was possible to determine a maiden name, that person is listed under both the maiden name and the married name.

This index was prepared by Joan M. Roden.
