Tools

Scissors
Sewing needle
Low-temp hot glue gun

Materials

Felt- pink, orange, yellow, light green and dark green
Felt balls- yellow and pink
Floss- yellow and green

Instructions

1. Cut felt pieces according to the pattern.
2. Glue petals together as shown.
3. Glue petals of like size and color together; overlap petals as shown.
4. Glue the yellow ball into the center of the pink flower, and glue the pink ball into the center of the yellow flower.
5. Double up yellow floss three times, tie off at one inch, and cut off loops. Glue the knotted end into the center of the orange flower.
6. Run a small bead of glue into the center of the fern leaf, and pinch. Put a bit of glue at the bottom of the spade shaped leaf, and pinch.
7. Use a needle to string the flowers and leaves onto green thread.
8. As you string each flower and leaf, tie a knot to hold them in place.
