

Materials List & Instructions

Crepe Paper Potted Clover

Tools

Scissors
Low-temp Hot Glue Gun
Wire Cutters

Materials

Extra Fine Crepe Paper - Cypress
Floral Wire - 26 gauge
Floral Tape
White Colored Pencil
Foam
Moss
Small Planter

Instructions

1. Gather tools and materials.
2. Cut crepe paper according to pattern, following grain lines.
3. Glue a short piece of 26 gauge floral wire between 2 clovers leaves with a slight overlap. Twist the base.
4. Draw details on the leaves with a white colored pencil.
5. Bend clover leaves outward at base and wrap 3 finished leaves together by the wire stems. You can also make a lucky four-leaf clover this way.
6. Wrap the base of the clover with floral tape.
7. Cut foam to fit planter.
8. Cover foam with moss and poke finished clovers into the planter. You can add a four-leaf clover for good luck!
