

## *Materials List & Instructions*

### Felt Berry Branch

#### Tools

Scissors  
Needle nose pliers  
Low temp hot glue gun

#### Materials

Felt in dark green and light green  
Nine 1.5 cm" Felt Balls in shades of pink  
Vine wire  
White craft glue

#### Steps

1. Gather tools and materials.
2. Cut felt according to template. Cut three 7" pieces of wire and one 20" piece.
3. Connect small pieces by twisting around large wire.
4. Glue double leaves to each end. Use white glue to attach sides and hot glue to secure to wire.
5. Attach leaves by folding around branch and gluing sides together. Each leaf is a double layer of felt.
6. Continue covering branch with a mix of leaf sizes and colors.
7. Hot glue felt balls onto leaves.
8. Shape finished branch.
