Materials

Floral wire - 24 gauge, 18 gauge
Metallic paper - Ice Silver,
Botanic, Fairway
Floral tape

Instructions

1. Gather tools and materials.
2. Cut petals and leaves according to template notes using scissors or a cutting machine.
3. Curl the flower petals in one direction using the edge of your scissors.
4. Score the leaves along the score marks, then curl the edge of the leaves down using the scissors
5. Put a small dot of glue on the tab and glue the flowers into shape with the petals curling down.
6. Punch a hole in the middle of each flower.
7. Cut the 24 gauged wire into 3" sections.
8. Put a small dot of glue in the center of the flower, then place one end of the wire up through the flower just into the glue.
9. Glue a 3" wire between one botanic and one fairway leaf with the botanic leaf on top.
10. Take 5 flowers and wrap floral tape around the end of the wires to secure them together, you will want 8 bundles of 5 flowers each.
11. Use floral tape to attach an 18 gauged wire to a bundle of 5 flowers.
12. Attach 2 leaves to the stem with floral tape.
13. Attach 2 more leaves further down the stem using floral tape.
14. Continue to attach leaves and 3 more flower bundles to the stem.
15. Repeat steps 11-14 to create a second stem of jasmine.
16. Connect the two stems of jasmine using floral tape and form it into an arch.
