

# LIA GRIFFITH

## Materials List & Instructions

### Mixed Metal Ornaments

#### Tools

Wire Cutters  
Needle nose pliers  
Round nose pliers  
Tubing cutter

#### Materials

1/8" Copper tubing  
1/8" Brass tubing  
20 gauge copper wire  
26 gauge gold wire

#### Instructions

1. Gather tools and materials.
2. Using the tubing cutter and the clamp cut 12 pieces of 3" copper tubing and 12 pieces of 1.5" brass tubing. Clamp the tube to a table to make cutting easier.
3. Thread an 18" piece of copper wire through 4 pieces of the copper tubing, secure the two ends together to form a diamond.
4. Make a second diamond shape and connect the two diamonds to make a 3D diamond, secure them together using the copper wire.
5. Take an 18" piece of the copper wire and thread a copper piece onto it, then connect it between two points of the diamond
6. Repeat step 5 between the remaining three points using the same 18" piece of copper wire.
7. At the top of the diamond create a loop with the copper wire and secure it using the wire wrap technique.
8. Repeat steps 3-6 with the 1.5" brass tubing and the gold wire, then hang it from the center of the larger copper diamond using the gold wire.
