#### INSTRUCTIONS

1. Gather tools and materials.
2. Cut the paper according to template notes using scissors or a cutting machine.
3. Take the four arrow saped cuts of paper and fold along the score marks.
4. Take the square cut of paper and fold along the score marks.
5. Overlap two of the triangle shaped folds to form one point of the star, then use the dot roller to glue it together.
6. Repeat with the three remaining points.
7. Take the arrow shaped papers, overlap the two larger triangle shaped folds to form one point of the star, then use the dot roller to glue it together.
8. Repeat with the smaller triangle shaped fold.
9. Pinch the smaller triangle shape together to form a fold line down the middle, then repeat with the remaining three star points.
10. Apply glue dots to the base of each of the four points.
11. Attach the longer points across from each other on the four pointed star you made earlier.
12. Then attach the teo shorter points across from each other in the remaining spaces.
