### Whimsical Felt Trees

#### TOOLS

Scissors  
Sewing Needle

#### MATERIALS

Felt – Moss, Meadow, Evergreen, White  
Embroidery Floss – Dark Green (890), Green (3346), White (3865)  
Polyfill

#### INSTRUCTIONS

1. Gather tools and materials.
2. Sew side of felt base, then sew circle to bottom (leave a small opening).
3. Fill with polyfill, then sew shut.
4. Sew sides of top layers.
5. Place tree layers onto base with sewn seams lined up. Use embroidery floss and pull thread through from the back about 1/2 inch up felt piece.
6. Stitch from bottom of layer to the side of the previous stitch.
7. Repeat on opposite side.
8. Thread through the base of stitch, and out under felt layer.
9. Tie knot in string, then cut off excess string.
10. Add a layer of white on top to create snow top trees.
