Hot Glue Gun

Scissors or Curling Tool

Green Wreath Form (12-15 inches)

INSTRUCTIONS

1. Gently punch leaves from paper.
2. Fold long, thin leaves in half; open to show center crease and shape edges with curling tool.
3. Use edge of scissors or curling tool to shape each remaining leaf.
4. Glue variety of leaves onto wreath form in spiral direction, layering smaller leaves over larger leaves.
5. (Optional) To use leaves in flower bouquet, glue floral wires onto base of leaf, adding second leaf over wire.
