

tropical leaves

LIA GRIFFITH

TOOLS & MATERIALS

Hot Glue Gun

Scissors or Curling Tool

Wood Wreath Form or Embroidery Hoop (12-15 inches)

INSTRUCTIONS

1. Gently punch leaves from paper.
2. Fold leaves along score lines; then use edge of scissors or curling tool to shape edges of leaves.
3. Use scissors to create indentations on palm leaf. Continue folding remaining leaves with edge of scissors or curling tool.
4. Glue variety of leaves onto wreath form in spiral direction, layering smaller leaves over larger leaves.
